DIVISION ORDER

On September 1, 2004, the Administrative Hearing Officer ("AHO") filed a Report and Recommendation in the above captioned case. In 2001, Sarah L. Olwine ("Respondent") was convicted of unauthorized use of property.

The Report and Recommendation in the above captioned matter was filed with the Division on September 1, 2004. The September 1st report did not contain a finding as to whether the AHO found that Respondent proved, by a preponderance of the evidence, that her activities and employment record since her conviction in 2001, show that she is honest, truthful, and of good reputation, and there is no basis in fact for believing that the applicant will commit such an offense again.

Accordingly, this case, including the transcript of the June 29, 2004 hearing and all evidence submitted, is remanded to the hearing officer for such a determination.

Signed and sealed this 15th day of December 2004.
