DIVISION ORDER

On April 24, 2002, Theodore V. Gaumer ("Respondent") submitted a loan officer license application to the Division of Financial Institutions ("Division"). On November 26, 2003, the Division issued Respondent a notice of the Division's intent to deny Respondent's application, and notified Respondent of his right to a hearing on the matter. Respondent requested a hearing, and pursuant thereto, an administrative hearing was held in accordance with Ohio Revised Code Chapter 119 on June 17, 2004.

The hearing officer filed his written report and recommendation with the Division on September 20, 2004, recommending that the Division deny Respondent's application. A copy of the report and recommendation and a letter explaining Respondent's right to submit written objections to the report was served on Respondent. Respondent, through his attorney, filed objections, which have been considered. The Division finds Respondent's request for an additional hearing to be held in a forum more convenient to Respondent is not well taken.

Upon consideration of the hearing officer's report and recommendation, the evidence, and the Respondent's objections, the Division confirms and approves the recommendation. Accordingly, Respondent's application for a loan officer license is hereby denied.

NOTICE OF RIGHT TO APPEAL

Respondent is hereby notified that pursuant to R.C. 119.12, this order may be appealed by filing a notice of appeal with the Ohio Division of Financial Institutions setting forth the order appealed from and the grounds for the appeal. A copy of such notice of appeal must, pursuant to R.C. 119.12, must also be filed with the court of common pleas of the county in which the place of business of the Respondent is located, or the county in which the Respondent is a resident. A notice of appeal must be filed within fifteen (15) days after the date of mailing of this order.

Signed and sealed this 12 day of January 2005.
